

This Week in Our Classroom

This week has been full of exciting learning and great progress.

We're proud to share two of our class achievements this week.

Kay CLASS

Kay Class from the Primary Area have kicked off their exciting new topic on Seasons with a creative deep dive into autumn! The children have been exploring the colours, textures, and changes that come with this time of year, using a variety of mixed media to produce stunning autumn-themed prints.

Mcguinnes CLASS

This week in PSHE, the class focused on developing their Class Charter, working collaboratively to define shared values, expectations, and responsibilities.

In English, the focus was on planning for writing. Students explored how making a plan helps structure their ideas, improve clarity, and stay focused on their purpose.
